NOTICE: *The City assumes no responsibility or liability for the interruption of gas service at any time, and the City shall have the right to discontinue service to the property for any of the following reasons:*

1. When the safety of the general public is endangered or public convenience and necessity requires;
2. Defective plumbing and/or equipment on the premises;
3. Maintenance and/or construction purposes as required from time to time;
4. Any violation of City rules and regulations governing this service;
5. Failure to pay charges for commodities and services rendered when same are due, including installation/relocation costs.

Regardless of the classification of new or existing service, all natural gas plumbing on the customer's side of the meter must conform to the current National Fuel Gas Code before a meter will be set or turned on.

In consideration for granting a connection to the natural gas system of the City of Huntingburg,
I hereby agree to the following:

1. I have read and understand this application including all associated fees and charges, and to abide by the rules and regulations of the City of Huntingburg Natural Gas Utility, as they may be revised and modified from time to time. ***PROPERTY OWNER INITIAL***_____

2. To grant a General Utility Easement to the City of Huntingburg, et al, for the purpose of installing and/or maintaining utility services up to and including the meter(s) and, if applicable, any contiguous utility main lines whether new or existing, from ingress to egress points on the property. ***PROPERTY OWNER INITIAL***_____

3. The homeowner is responsible for any replacement and/or repair of landscaping or crops that is disturbed or damaged for the purpose of installing, relocating, and/or modifying the gas service (typically, but not limited to, grass/grass re-seeding, and perpetual backfill of trench line). ***PROPERTY OWNER INITIAL***_____

4. It is acknowledged and agreed that the City is under no obligation or liability for service interruptions such as may be required because of, or caused by, unforeseen circumstances or for normal maintenance as is required from time to time. Additionally, the city is not required to serve any property until such time as adequate gas distribution mains have been installed and gas is available to the property. ***PROPERTY OWNER INITIAL***_____
